

Winter Fest and Toys for Tots Drive

Please come spend the evening with our club on Dec 7th from 6-9:00pm at our 4th (hopefully annual) Winterfest at Quaker Steak & Lube – North Canton. We have the small dining area to the side and the back bar reserved for our event. There will be several vendors there to display what they have to offer for winter sports in our area. QS&L is bringing in a couple beer vendors for samples, SAWG, and purchases if you wish.

We are doing Toys for Tots drive during the event, and for bringing an un-wrapped new toy, you will get an entry into the drawings. You may also donate cash instead of buying a gift (but I suggest a check made out to Toys for Tots). It was brought to our attention that they do get an abundance of toys for younger children, but not much for the older kids. Think of what a pre-teen/teenager might want if you are making a purchase? The representative from Stark County Toys for Tots will be at the event to pick up the toys that night. I want to have a nice picture taken of the pile being loaded into his trailer, so I'll need some volunteers to help with this.

We will be advertising the event in the Canton Reps – Ticket section Nov 30th, look for it and please help promote it. If you would be interested in being at the club's information table during the event, please let me know.

Thanks for the support on this.
