

SATURDAY JAN 7 2018

Peek'n Peak, NY

Bus ride and lift ticket for as little as \$70 for SCSC members (Non-Members add \$10)

WOW! Hard to beat that when compare ticket window price of \$59 for a lift pass, and include a bus for the trips listed price. An early January one day trip is just what is needed to get back the feel of the skis under your feet. A one day trip is great at the start of the season to use those muscles you have let get soft over the past several months. Then sit back and enjoy the bus ride home while some else drives.
