

# Pedals, Paddles & Putts Tour

Hope everyone is staying hydrated and has adequate sun protection!

The Pedals, Paddles, and Putts Tour is in full swing, and participants are making the most of every moment. With careful monitoring of the weather, we ensure everyone can enjoy their activities safely and comfortably. From cycling and kayaking to golfing, there's no better way to embrace the beautiful outdoors this season.

This tour isn't just about the activities; it's about the people you meet and the memories you create! Participants are achieving new personal milestones and forming lasting friendships. The sense of community and camaraderie is palpable, making each event even more special and memorable. We have also begun expanding our pedaling group to include one of our sister clubs Cuyahoga Valley Ski Club fka Goodyear Ski Club, and their biking schedule is included, if anyone would like to join!

Don't forget, the Metro Cup is just around the corner! Make sure to get your registration and payment are in by July 5th to join in on the fun. Additionally, if you're interested in volunteering, please let Art know. Whether you're competing, cheering, or helping out, your involvement makes a huge difference in the success of our events.

I will need some additional logistics assistance with the Tusc. River paddle August 24th. See you out on the water, paths, and greens! Don't forget we are using [GroupMe](#) for instant communication and for Trips too! Join now before it's too late!

## Tim's Towpath Challenge 2024 ~ Tim Lavey

We've been hiking for three seasons now, so it's time to get out those bikes! The challenge is to complete as much of the Towpath from Cleveland to Bolivar as we can.

Each ride will be about 15 miles (7.5 miles out and back) and will take about 2 hours (no racing!). It's the Towpath, so it will be flat. Also, we have tried to pick times when the Towpath will have less foot traffic!

Contact Tim Lavey for more information.
