View From The Top

Where 'da snow? Could anything be more dramatically different from last season than this? I washed the Subaru in shorts and tee shirt on Christmas Eve day! Zelda hit golf balls in the yard on December 26th with the new club Santa brought her! Encouragingly, I do see that cold temperatures are on their way with snow and plenty of snowmaking opportunities for all of our nearby ski venues. I have faith that Peek n' Peak will have snow for us to enjoy on January 9th and Holiday Valley and Holimont will be well coated by departure date for Bob Hoff's trip the following week. By Casino Trip time, we'll be deep into our usual winter conditions. It's just frustrating to sit around in sweating in my new ski jacket on Christmas Day!

I did empathize and sympathize with California last season with their severe drought and poor winter ski season. I was considerate and compassionate with their plight as I enjoyed cold temperatures in Ohio and great skiing in Vermont, NY, and PA. For those reasons alone, should we eastern skiers have to suffer THIS season? I see no valid reason. I'm going to predict that we will still enjoy a great ski season at our NY, PA, and Vermont ski areas on our calendar. In fact, I predict that Fred Scherer will have an abundance of snow at Holiday Valley for his March 19th trip! I will ask all of you to include a "think snow" mantra into your meditations and incantations for the duration of the ski season. I don't know that our snow prayers will work in churches and synagogues, but it's worth trying.

Most of our trips are full or near full. Please continue to send in your applications and deposits. Remember, "if the trip don't go, you lose no dough!" We will be going skiing. I have no doubt.

Happy New Year to all! And, think snow!!

Jim

Stark County Ski Club Meeting
December 15, 2015~E.B.'s Pub at Meadowlake

Call to Order

President Jim Kovach called the meeting to order at 7:00 pm. He welcomed everyone and two new members introduce themselves. Fifty-seven (57) individuals were present.

Officer Reports

President Report: Jim Kovach reported that the November Meeting Minutes are available in the newsletter and he called for the following reports:

Vice President Report: Jennie reported for Jason Stephan, who was pleased to say that the Kick off the Season party was a great success. He asked that Dwight lead us in a snow chant to help get this season going.

Treasurer Report: Donna Brancifort reported on the treasury and that some significant deposits had been made. Due to a lack of snow, a Snowfall raffle has started with chances to draw for the first date of measureable snow. Since this was started in 2008, measurable snow has happened in November except for 2009 and now 2015.

Secretary Report: Jennie Stephan reported on the amount collected in the 50/50 raffle and that more sales would be made before the drawing.

Membership Report: Debbie Scherer reported that we have 35 new members. Please remember to pick up your membership cards to use as membership verification at shops, events, trips, etc.

Social Chair Report: Diane Marzec reported that there were no socials in December to report as she doesn't try to plan over the holidays.

Merchandise Report: Jim noted that everything in the catalogs are available to order and can be embroidered as well as there being stock merchandise for purchase.

CMSC Report: Gail Vogt reported that there will be a Holiday Party on December 30 at the Valley View QSL. Gail handed out CMSC directories which lists all CMSC club trips and openings.

Website Report: Dwight Kline reported that the website averages 20 hits per day and there was one day that had 300 hits.

Newsletter Report: Mike Bishop reported that he is retiring so please use his personal email address, mbishop1@neo.rr.com or the newsletter editor address newsletter@starkcountyskiclub.org for any articles to be included in the newsletter.

Trip Chair Report: Art Pokopac announced that the newly elected trip committee will take a month off. Art called for the following trip reports:

2016 Ski Trips, Etc.

SNOW, SNOW, SNOW

Guess we need a little bit of snow in the east. Thought we might have to pray to Snow Gods for some snow. The week of December meeting took a look at the webcams for a few of the ski resorts that SCSC will be going to and saw mostly barren ground with a few patches of snow (Peek n Peak, Holiday Valley and Snowshoe). This weekend while writing this article took another look at the webcams. What! We have the white stuff on the ground and it's beginning to look a lot like a ski resort. Mother Nature has provided some snow with the snow making for each resort kicking in the rest.

By the time you read this article, we should be close to SCSC first trip to Peek n Peak on Jan 9 with Holimont/ Holiday Valley following close behind on Wednesday Jan 13. Hopefully, the snow will hold at the resorts and the resorts will continue to make more. I know everybody worries about what the conditions will be like at each resort and if they should sign up for a trip. Sign up for a trip and let SCSC trip committee and trip leaders worry about the conditions. We'll let you know if we are going or not (less worrying for you) plus your check for a day trip will not be cash unless we go.

So what's going on with the 2016 SCSC trips?

The first three trips will be close to a go, by time newsletter is out.

January 9 (Saturday) - Peek n Peak – **64 skiers (6 DRIVING), hopefully, we get enough for a second bus**

January 13 - January 15 (Wednesday- Friday) - Holiday Valley/ Holimont – **40 skiers**

January 24- 29 (Sunday – Friday) – Stowe, VT – **SOLD OUT**

February trips still can use some skiers

February 4 (Thursday) – Holimont – **21 skiers, need skiers**

February 7 – February 9 (Sunday-Tuesday) - Snowshoe Mountain – **SOLD OUT**

February 19 (Friday) - Seven Springs – **39 skiers since last report, trip has increased by 21 skiers**

February 27 - February 28 (Saturday-Sunday) - Holiday Valley / Casino - **31 skiers, trip is filling fast**

The day trip in March could use some help, what a way to close out the SCSC season.

March 5-12 (Saturday - Saturday) – Banff - **SOLD OUT**

March 19 (Saturday) - Holiday Valley – **16 skiers, need skiers**

Well that's the trip report, hopefully Mother Nature and Snow Gods will cooperate and conditions will improve. If you would like to prayer to Snow Gods, here are a few suggestions that I found on web:

These are the five best ways to pray to Snow God (Ullr) to get the snows to let loose upon us.

1. Sacrificial Burning: This is the most classic way to pray to Ullr. Build a fire in your backyard, call your friends, buy a few kegs, and start burning skis, poles, boots, sweaty long johns, etc. Drink all the beers.

2. No Pants Dance: This is a classic backcountry lodge move. Losing the pants shows the commitment to withstand low temperatures. It also shows that no embarrassment is more devastating than a lack of snow.

3. Sacrificial Drinking: Many people resort to sacrificing brain cells. This is effective because Ullr has a very sardonic sense of humor and appreciates the morning haze crawl to the snow because of over consumption more than most things

4. Squatting: Just keep doing them. Show your unwavering commitment. Squat forever.... Ullr notices

5. Sorting Your Life Out: By doing your chores, completing your errands, cleaning your house, doing maintenance on your vehicle, organizing your taxes and a bunch of other really boring stuff, Ullr will immediately start to deliver. Or maybe that's Murphy's Law? Whatever, basically, as soon as you start to be an efficient human again, Ullr will take the opportunity to ruin everything. But make it all better at the same time.

The trip committee took the month of December off and we'll be back next month with a report.

PS: Check Webcams before I sent this article, start you're praying to the Snow Gods, miracles do happen!

See you on the slopes

Art Pokopac

NOTE: All racers must be a member of a CMSC ski club and will be responsible for their own lift ticket (we recommend the pick-a-day package offered by Boston Mills/Brandywine Ski Area). If you have never raced in this series before and have not qualified and/or participated in a weekend CMSC race, you will be placed in a Qualifier Class so that we can place you in the proper race class (more fun for you!). This qualifier or series DOES NOT qualify you for the weekend races. The number of classes will vary based on participation.
