Stark County Ski Club Is Making a Difference! **Again!!!**

As part of our charity commitment, SCSC has donated \$500 to the Cure Sanfilippo Foundation as part of a fundraising event. We are getting recognition on the event website. Program, facebook & on the back of the raffle tickets that are being sold. If you are interested in attending the event on Friday, August 26, at Brookside Farms in Louisville, want to buy raffle tickets (\$5 each or 3 for \$10) or are willing to work at the event, please contact me at 330-705-8143 or donna.brancifort@timken.com. My daughter is hosting this event, because Will is the son of a friend of hers from high school. What's the buzz words that kids use these days..."paying it forward"? We are receiving marketing value for our charitable contribution as a sponsor of the event.

Join Us for A Night of Hope & WILL Power! **A fundraiser for Cure Sanfilippo Foundation**

Will Byers is just 6 years old but he is already facing the fight of his life. In March of 2015, Will was diagnosed with Sanfilippo Syndrome – Type B.

Sanfilippo Syndrome is a rare, degenerative, and currently terminal genetic condition. Will, and every other child with this disease, is missing an essential enzyme needed for cells to work normally. Without these enzymes, cells are unable to break down and recycle cellular waste. Over time, this waste builds up and becomes toxic, leading to increasingly severe disabilities and seizures. Without treatment, most Sanfilippo children will pass away in their teens.

Hope for a Cure

In the midst of such heartbreak and tragedy, the families of children with Sanfilippo Syndrome find strength in their HOPE for a Cure. The only chance for children living with Sanfilippo Syndrome today will come from supporting ground-breaking research from around the world. In fact, researchers at Nationwide Children's Hospital in Columbus, OH have discovered a breakthrough gene therapy treatment that can stop the progression of the disease. Treatments such as these are moving closer to the clinical trial phase, but they need more support. Time is critical and your help paves the way towards a second chance at life for children with Sanfilippo Syndrome.

Join us in the fight to save Will and thousands of other children around the world!

For more information on event tickets, sponsorships, donations, or volunteering visit our event website at www.HopetoHappen.com

The Cure Sanfilippo Foundation is a 501(c)3 non-profit (Tax ID 46-4322131).
The Foundation has no paid employees or advisors.

SCSC Summer Biking Program

Our summer biking group meets on Tuesday evenings and we ride a section on the Ohio Erie Towpath between Akron and Navarre weather permitting. You ride at your own pace and go as far as you are comfortable with. Our rule of thumb is we ride out for 45 minutes, take a short break then return making the ride about an hour and a half long as a guideline. I send out an email a day or two ahead of time to let you know where we will be meeting at to start. We also try to include a Saturday ride each month. The Saturday rides will include other nearby trails and may coincide with other activities in the area.

The rides will be on Tuesday evening starting at 6 PM weather permitting. The minimum temperature requirement is 60 degrees and of course, not raining. You do not need to be Stark County Ski Club member to ride with us. You do not even need to be a rider as you are welcome to join us and just take a walk on the trail.

More information can be found on the [Stark County Web site](#). If you want to be added to the email list to receive weekly information on where we will be riding, send an email to scsrbikers@outlook.com.

Blossom Volunteers

Hi club,

One of our clubs volunteer activities that helps keep our trip prices down is our Blossom volunteers. This is a great way to help serve the club, and get to hear some great national touring acts.

All volunteers receive additional trip discount coupons valued at \$25.00 per event worked. A little summer fun and you can ski on the cheap! Training is mandatory to work an event. Jason

The Stark County Ski Club made a donation to a group of skiers/bikers riding the Pan Ohio Hope Ride, taking place July 21 – 24, 2016. The group of bikers will start in Cincinnati and ride to Cleveland, that is 328 miles in 4 days! The funds raised support the two Cancer Hope Houses in Ohio, located in Cleveland and Cincinnati. The team we are supporting is Mind Brain Social Club, so if you would like to make a personal donation. Go to the Pan Ohio Hope Ride web site, follow the links to add to this groups goal.

Just a little background on the team, they have all been affected by this disease in some way. Two are survivors, a couple have lost family members, and several have family or friends dealing with cancer.

Thank you for supporting us so we can help folks like your members!
