OK members to be blunt... sit down, shut up, and hang on! This wild year is only half over, and some of us are still recovering from the winter effects. The Jackson Hole trip has 35 participants. We contracted for only 32 spots to fill. I'm working on adding people to the trip with my money/application in hand process. Sorry, no email, or phone reservation taken. In addition to the Targhee add-on for the ski trip I'm looking into a couple of snowmobiling options. We are working on group pricing with other ski groups.

The Snowmass trip has 8 people signed up. I want to remind you all this was the #1 pick of the winter survey for places you wanted to ski again. If you happen to take a look around at what other clubs may be offering I think you'll like our pricing ($1499), time of year (early March), and condo selection (Villas @ Snowmass) just 2 minutes from the Two Creeks chairlift via the shuttle. As the grass growing starts to slow and we huddle around our air conditioners, **now** would be the time to break out the check book to sign-n-send those applications/checks for your #1 survey pick. For those inquiring about trip insurance please see the listing below.

Your Trip Committee is working very diligently to assemble next seasons schedule. Favorites like H&H, Canaan/Timberline, Holimont, Wisp, 7 Springs, and HV have been scheduled. We have even taken into consideration the local school schedules in an effort to appease those straight line skiers while reducing those obstacles on the way to the pub.

Trip Insurance: 1. Bill Fry 330.875.6564 or welcomeaboard@neo.rr.com
2. Sandy Gaudette 800.500.2754 or sandymoguls@aol.com
3. Gloria Saiya 800.672.3260 or gloria@ ski.com

Stark County Ski Club is sponsoring the Special Olympics Golf Outing that is being held at Skyland Pines on Sunday, August 27th. Please see flier for more information and email Donna at donna.brancifort@timken.com if you are interested in joining the SCSC team.

We are volunteering at the Enshrinement Festival – right here, close to home!! I am looking, at this time, for commitments for 3 events. Let me know at donna.brancifort@timken.com or 330-705-8143 if you want to commit to any of the events below. Provide me your name, email address, cell phone #, as well as which event or event(s) you are willing to volunteer for.

The events are:
Thursday Aug 3rd - HOF Game
Saturday Aug 5th – Enshrinement
Sunday Aug 6th – Concert of Legends (Toby Keith)

Stark County Ski Club (SCSC) Social Events

Summer is off to a great start and it's time to join in our Socials. This is a fun group with something for everyone. I hope you'll consider joining us for one of our many social outings. Feel free to bring friends. Nonmembers are always welcome to our socials.

Highlights of June Socials

What a fun day in Bucyrus!

Thanks to member Jodi Cook for hosting this 1st Annual Golf Scramble. On Saturday June 3rd we had 20 adventurous golfers and non-golfers enjoy a day on the New Winchester Golf course. We had so much fun it was decided that next year we will have a "Team" competition of Stark Country Ski Club" vs. Sandusky Ski Club.

Prizes were given to all teams who stayed for the cook-out. Thanks to Donna Brancifort for coordinating all the fun games. Winning team went to our hosts Jodi & Mike (Of course they play that course everyday) and our President Donna & her husband Al (Yes she made the rules). Who knows Jason, Dan, Gail and ½ of Maryann might have won if they figured out the rules before hole #10. Lol

On Saturday, June 10th members gathered at this favorite venue for an evening of outdoor entertainment by REN. People set up their lawn chairs and enjoyed an evening of food and fun.

SCSC Summer Biking Program

Bikers

Our summer biking group meets on Tuesday evenings and we ride a section on the Ohio Erie Towpath between Akron and Navarre weather permitting. You ride at your own pace and go as far as you are comfortable with. Our rule of thumb is we ride out for 45 minutes, take a short break then return making the ride about an hour and a half long as a guideline. I send out an email a day or two ahead of time to let you know where we will be meeting at to start. We also try to include a Saturday ride each month. The Saturday rides will include other nearby trails and may coincide with other activities in the area.

The rides will be on Tuesday evening starting at 6 PM weather permitting. The minimum temperature requirement is 60 degrees and of course, not raining. You do not need to be Stark County Ski Club member to ride with us. You do not even need to be a rider as you are welcome to join us and just take a walk on the trail.

If you want to be added to the email list to receive weekly information on where we will be riding, send an email to **scscbikers@outlook.com**.

Ever thought about being a ski instructor at Boston Mills/Brandywine and Alpine Valley? Peak Resorts is looking for ski instructors for 2017-2018!

BM/BW/AV has one of the largest Ski Schools in the nation with over 300 instructors on staff. With a large demand for our service, we are looking for individuals that have a passion for teaching and helping others and want to learn how to instruct people to be great skiers and snowboarders. We expect our instructors here at Boston Mills/Brandywine and Alpine Valley to have a high level of passion and commitment. In return, we provide onsite training to help you become a professional instructor along with the opportunity to make money while having fun.
Being an instructor is a great way to meet like-minded people and spread the passion for skiing and snowboarding that we all have. Apart from meeting great people, we also offer weekly clinics taught by our education staff to help fine tune your own riding and teaching throughout the season as well.

Minimum Requirements to Be an Instructor
* Minimum age of 16 by December 1, 2017
* Ski or Snowboard at an intermediate-advanced level
* Passion for the sport and a willingness to educate others

Fall Training
• Fall Training is mandatory for all instructors.
• New hires are required to attend all training sessions

The training is a total of 16 hours over four days covering the latest teaching standards as well as group dynamics of teaching and many other techniques to improve your teaching and riding abilities

Once you have completed all of your training requirements and have shown yourself to be professional, you will be asked to commit to a set work schedule. To meet your requirements you must sign up for 3 shifts totaling in at least 2 days -about 12 hours per week. We will try our best to honor the schedule you request, but because the number of required instructors varies by day and shift you may have to agree to work other days/shifts in order to meet your minimum hour requirement. After all of the schedules are set, the Ski School will then hire enough instructors to meet the projected needs for the season.

There is a fee of $50 for Fall Training

So, how can you improve your chance of being hired?

First, select a work schedule that matches the most in demand times. Commit to more work hours than the minimum (12), but don't inflate your schedule.

Second, demonstrate your professionalism – make sure you have reliable transportation, be on time, be prepared and have your own equipment.

Third, demonstrate your teaching ability - be willing to present to a group and lead them through exercises and to create a fun learning atmosphere.

Fourth, demonstrate good skiing or boarding skills on the snow. You do not have to be an expert to be an instructor, but you need to demonstrate balance, basic turning skills and the ability to ski/ride in control at all times.

* It may be days or weeks between completing fall training and when we open, dependent on weather. You will need to watch the resort websites [www.bmbw.com or www.alpinevalleyohio.com]. Things will move fast once we open so you need to be ready to report for duty as soon as we open.

Uniforms:

Every instructor must wear an official instructor uniform while at the resort

Uniform jackets can be rented for $25.00/season, collected at the last training session and must be returned by the last day of the season.

Shadowing:

Every new hire will be required to shadow a seasoned instructor and be approved by training staff prior to being able to teach. The number of shadows and requirements will be highlighted during fall training.

If you have questions, please call the Ski School office (800-875-4241 x2010) and leave your contact information. Or e-mail at bmbwsnowsports@bmbw.com

Thank you for your interest,
Boston Mills/Brandywine/Alpine Valley Snowsports Administration
