## View From The Top By: Jason Stephan

Wow Summer is flying by, between all the baseball, bicycling, outdoor festivals, concerts, camping and kayaking and a couple of beers when time permits, hard to believe we will soon be watching the start of football season. Must mean that winter is only about 20 weeks away.

Your trip committee has done a great job in picking out two great destinations for week long trips with plenty of pricing options. And they are still hard at work with the day trips. One really nice thing they are working with is better travel accommodations for our day trips. Gone will be the days of traveling on the sketchy bargain bus, the trip committee has contracted many of the day trips with Pioneer Trails and have kept the price very competitive. These are well kept coaches, with first class amenities. At only a couple of dollars more per person, well worth it.

If you have been reading the newsletters you will notice some nice new changes, trip applications and membership applications can be filled out online, and Bill Bail is working hard making electronic payment options. The site will be secure that's why we have been dragging out feet a little on this. And yes you can still pay in person with a check. This is a long overdue change we needed to make, as we attract new members to the club we have found that a lot of the younger generation no longer have checks, yes we have become a plastic society.

If you haven't already heard, meetings at Mulligans are back this year. While we enjoyed our time at Papa Bears, a Stark county Icon, the meeting room just didn't mesh with our needs. Mulligans is under new ownership, and we met with the new owner in June during our executive committee meeting. We have reserved the room from 6:00=9:00pm For social hour and meetings.

Our volunteer efforts are helping to keep us in the spotlight in many areas of the community, as we are adopting a portion of the towpath trail, we will need members help and support on this for clean ups. This will give us good presence in the community as there will be a sign with our name on it and citizens will have a clean healthy portion of the trail to use.

Donna and the Tom Benson HOF crew have already started their season, and could use some help, if you haven't stepped up to help out for at least one volunteer event or activity now is the time to do so. Donna needs 30 people to man our preferred booth at each event, should be easy in a club of 200 plus members, but we do struggle and use local high school clubs to help fill vacant spots. Volunteers on average receive a discount voucher of 25.00 for each event worked. The vouchers can be used for club day trips, weekend trips, week long trips, and coming soon a warm weather destination trip.

Hope to see you all at Septembers meeting.

## SCSC Summer Biking Program

### Bikers

The tenth year for our summer biking will be beginning soon. The rides will be on Tuesday evening starting at 6 PM weather permitting. We ride a section on the Ohio Erie Towpath in the Stark County. You ride at your own pace and go as far as you are comfortable with. Our rule of thumb is we ride out for 45 minutes, take a short break then return making the ride about an hour and a half long as a guideline. I send out an email a day or two ahead of time to let you know where we will be meeting at to start. If you want to be added to the email list, send an email to [scsbikers@outlook.com](mailto:scsbikers@outlook.com).

We have another overnight trip planned again like we did in 2014. We are going back to Titusville Pennsylvania and have blocked off a group of 14 rooms at the Caboose Motel for September 22. If you were there when we went in 2014, you know what a fun time it was. Our group made quite an impression at the Blue Canoe Brewery. If you are thinking of going please give the Caboose Motel a call to reserve your room. We need to book 10 rooms to get the discounted rate. The cancellation policy is 48 hours in advance of arrival date so you can cancel if your plans change.

Hi,

Me again - asking for some of your spare time. Stark Parks asked if we could put together a team to help with a water way clean up. Canoes and clean up supplies would be provided. We would be transported to put in point and end at Ernie's. Times would be 3:30pm to 6:00pm on Tues, Aug 28th.

Please contact me if you would be interested in helping with this event.

gail

## Towpath 50: Spin-a-Day on the Ohio & Erie Canalway

I also received a request for volunteers to man the planned water stop at Ernie's for the Towpath 50 bike ride on Sat, Sept 15th. Times are 2:00pm to 5:00pm and 4:00pm to 7:00pm. The 7pm is not a definite end time, we wait for the sweeper to come through, so we could end earlier. This is sponsored by the Ohio-Erie Canal Coalition for the support, completion and maintenance of the trails.

If you are interested, let me know.
