As we continue to navigate through the Covid-19 maze after passing the summer solstice I continue to wonder. What will the ski season look like if/while Covid-19 continues? Yes, skiers and snowboarders are able to spread out through the slopes, but then they come to the cattle troughs. You know, those people pinch points like restaurants, lift lines, restrooms, and lodges as people migrate to the resorts.

Will resorts upgrade to make sure that we can maintain social distancing while enjoying our ski vacation?

Will the number of people at a mountain resort at any one time be restricted?

Will there be limitations on food and beverage services?

How will the resort's manage their network of lifts and gondolas?

Will lift chair conversation with skiers from other clubs , states, or even countries disappear?

It presents quite the quandary to what sort of travel demand there will be during the ski season. Will the Covid-19 fear or an economic fluctuation reduce the skier and snowboarder numbers which could then reduce the impact of any constraints?

I'm trying to remain positive while looking into the future but my magic  isn't helping.

Anywho, going forward we need best practices: Stay home if sick, get tested if symptomatic, wear masks, social distance, wash your hands frequently, and use hand sanitizer. I feel sorry for those people in society that think this Covid-19 stuff is a bunch of B.S. and if you wear a mask, you're weak or violating someone's rights. For now, right this moment, at this time, just wear a mask and social distance to help all people in the eradication of the pandemic. Afterwards... I'll be happy to take you B.S. Skiing.

Disclaimer: "B.S. skiing" is a ski story out of Jackson Hole, WY

"I'm going to wear out before I rust out and, I've already got my first replacement part".

SCSC trip sign up policy

If you are not a paid-up current member at the time you file a SCSC trip application the application will be held for a minimum of 30 days before processing. SCSC trip application processing will begin only after the SCSC membership application and payment have been received. Membership must remain current throughout the ski season travel period.

Trip Committee Chair John Masalko

We received a contract from Ski.Com for our week-long west trip to Beaver Creek. It is in a revue with the club president and the treasurer. The club will be able to enjoy 5- days at Beaver Creek, Colorado. With direct air from Cleveland to Denver, lodging at Arrowhead Village with a welcome reception included. Beaver Creek is a vail resort, and your epic pass can be used for your lift tickets. If using a 4-day Epic pass through Ski.com, you will be receiving a \$35 discount on the lodging. You can renew your Epic or purchase your Epic Local or Epic thru Ski.com and receive a \$50.00 discount on the lodging when purchased through Ski.com. Four (4) day epic is cheaper than a 4-day Vail resort pass.

Here is the link for the 4-day Epic pass <https://stark-county-sc-passes.events.ski.com/>

Here is our tentative SCSC schedule for 2021:

- Peak N Peek
- Seven Springs
- Holiday Valley/Holimont
- Snowshoe
- Timberline/Canaan Valley
- Cockaigne

We also are talking with Goodyear Ski Club for possible consideration of combining clubs on some of these trips in order to negotiate better pricing and possible bus transportation.

Please bear with us while we work through this pandemic, and be watching the future newsletters for more updates.

Stay safe!

Thanks,

John

Membership Reminder

At the January 2020 SCSC meeting, the updated SCSC Constitution was approved. One of the main changes was to configure the membership dues schedule around the fiscal year. While this has been accomplished we want to remind our loyal members of how this will affect them in the upcoming season. The executive board determined during the review to extend those memberships paid on time in 2019 by 6 months at no extra charge.

Those paid up members as of October 31st, 2019 will have their membership extended from November 1st, 2020 to May 31st, 2021 at no additional cost.

For all **NEW** memberships, the SCSC approved membership year will start June 1st., 2020 through May 31st, 2021.

CMSC

We had our 2nd meeting by Zoom, and had enough clubs sign in for an official meeting.

Week long trips:

There are 3 club's with plans on going to Whitefish

Day Trips

No info on those plans

We were contacted by Goodyear to share a bus for a day trip.

Some of the club's have resumed their social gatherings.

There is still a need for some to take officer positions:

Secretary

Treasurer

Vice President

Trustee

If you would be interested, please contact me. The driving to the meeting site will be reduced with the use of Zoom to hold these. There will be a few physical meetings planned.

Hold at an earlier time of day?

I would love to have your ideas.

Merchandising Gail Vogt

Keep looking for those items you would like embroidered with the club logo. Summer items will be accepted, just email me, and we can make arrangements to meet.

Items will be held till there are at least 16 to save the embroidery setup time. So watch for those sales.

Summer Biking—Bill Bail

Description of the biking program

Our summer biking group meets on Tuesday evenings through August and we ride a section on the Ohio Erie Towpath between Akron and Navarre weather permitting. You ride at your own pace and go as far as you are comfortable with. Our rule of thumb is we ride out for 45 minutes, take a short break then return making the ride about an hour and a half long as a guideline. I send out an email a day or two ahead of time to let you know where we will be meeting at to start.

Our norm has been that we would also meet after the ride for a social dinner/snack and beverage at a restaurant close to the trail. With the "new norm" just in its infancy starting back up, I won't be making any plans for dinner but everyone is free to decide on their own in small groups at this time.

The rides will be on Tuesday evening starting at 6 PM weather permitting. The minimum temperature requirement is 60 degrees and of course, not raining. You do not need to be Stark County Ski Club member to ride with us. You do not even need to be a rider as you are welcome to join us and just take a walk on the trail.

If you want to be added to the email list to receive weekly information on where we will be riding, send an email to scsbikers@outlook.com.

Got an Interest ? - Gail Vogt

Kayak Group - Interested?

There is a large group of our club members that own kayaks. We are looking at putting together some river or lake paddle days for this summer. We have some great places to drop in on the Tusc river, Craig Pittman, Canal Fulton, and willing to explore more. There are also some beautiful lakes to paddle around. Ideas for new places are welcome.

If your interested please contact Gail, glv2354@gmail.com, so we can compile the list to be shared within the group only.

Brewery and Wine Tour

Our plans for the brewery & wine tour are still on for Oct 3rd. The cost is being calculated, and the route starting in Wooster is in planning for stops. Once the cost is announced, please sign up, your checks will not be cashed until the trip is completed.

Thank you, gail

SCSC SOCIAL DISTANCE APPROVED EVENTS

JUNE SOCIAL HIGHLIGHTS

SCSC Golf Scramble

Fun Times at the Sanctuary Golf Club

We had 21 golfers join in the beautiful day of golf and laughter. The temperature was in the mid 70's and the course was in great shape.

We had 5 teams of all skill levels and one floater. Skins were won by 3 teams and memories were made by all. Thanks to Colleen Logan & Pete Martin for hosting the outdoor cook-out at their house after golf. Keep your eyes open as we had requests for a repeat performance later this summer or early fall.

Dinner on the Piazza

On Thursday, June 25th we had 9 people join us for an evening on the patio at Gervasi. We originally had 17 but conflicts kept some away. Again, we lucked out with some beautiful weather. The tables were all social distanced and the property is beautiful.
