## View From The Top By: Mike Bishop

The SCSC meetings may be on summer break, but the club's activities certainly are not. As the vaccinations continue to add up and we proceed toward a post-pandemic normalcy the restrictions are starting to lift. The SCSC biking every Tuesday night is rolling on again, weather permitting. Jason has the Friday night kayaking scheduled, and I hear the group is growing faster than the Mayfly population. OK, well maybe not that fast, but I bet the kayakers stick around longer. Diane has the golf outing teed up, and the camping weekend is packed with activities with only two spots remaining. If that is not enough, Diane has updated the Summer Socials page that includes a date change and reservation update. If anyone is interested in subsidizing their skiing addiction you might want to contact Donna to volunteer for AVI at the Tom Benson HOF Stadium. For those who can not volunteer at this time you can show your club pride while you are out and about by wearing your SCSC logo gear. If you do not have any summer gear then contact Gail to get your summer sale items embroidered.

As I started to touch upon last month, the effects of 2020 are being seen all over. Shortages in production materials because of the covid issues are now causing everything from air conditioners, automobiles, rental cars, and vacation homes to skyrocket right now. I want to remind everyone planning for next year's SCSC week trips that we too have some effects. One of the most important changes is the requirement of none refundable deposits that will be passed on to those participants. Participants will have to make the initial deposit through the appropriate tour operator/website. Only after you have placed your initial deposit can you use your club vouchers. For those members with vouchers to use I recommend follow up by contacting the trip leader. The Mt. Snow trip will be with ski.com, and the Park City trip will be with Sports America. Some may find this information redundant as we repeat this a few times within the newsletter, but we want to make sure all who want to travel with us get to the proper tour operator. If you have any questions please contact the trip leader or any SCSC officer. At this time that we are **NOT** going to activate the local trip online payment system. There are a number of things to work out for the process and one of them is the use of vouchers.

The response to the new online membership payment system appears to be appealing to many of the members. For those members who have not renewed their membership yet please try this convenient system. We think it is quick, easy to use, and the small service fee allows us to operate it. For all of those who still prefer any of the other two ways to renew your membership; if you have not filed as you read this you are now overdue. Please renew your membership at your earliest convenience.

Feel free to contact me with any SCSC questions. [President@StarkCountySkiClub.org](mailto:President@StarkCountySkiClub.org)

## A New Spring Look! – What's Next?

As you might know, a dedicated SCSC member, Bill Demsky, has been battling Multiple Myeloma. He recently had a stem cell transplant. In preparation for this procedure, chemo treatments were necessary, which caused Bill to lose his hair. For fun, and with Bill's blessing, we are having a contest to see who can guess what COLOR & TEXTURE his hair will be when it grows back!

Some sort of a prize will be awarded to one person at our meeting in September. Ties will be broken with a drawing.

Guesses should be sent to Donna Brancifort [dmbranci@gmail.com](mailto:dmbranci@gmail.com)

## A Note from Bill Demsky

I survived the transplant, but had a rough few days following the procedure. I am home following a couple weeks of hospital isolation. I need to remain socially isolated for a while due my compromised immune system, but I hope to start getting out in June or July.

I'm also sending a photo of my new look for spring 2021.

Bill Demsky

## **Saturday July 17<sup>th</sup>**

Join club members on Saturday July 17<sup>th</sup> for a relaxing summer day doing one of the below activities...

Riding the trails, Zipping through the tree line, floating down the Mohican River in a canoe, kayak or raft or just chillaxing in the river!

**FLOATING DOWN THE MOHICAN** in a **canoe or kayak or on a raft**. Don't forget to bring your coolers & water guns!

**We have 2 options this year:**

1. The Livery will pick up the group at Mohican Reservation campground and will take us to our drop off point. The trip will end back at the campground.

**RENTAL:** Canoe or Kayak is \$20 per person for 9 Mile trip. Kids under 12 are free in the canoe with 2 adults. Anyone interested will register and pay at the campground when they check in.

2. Now that we have a fairly large Kayaking group in the club, we've had discussions of bringing our own kayaks and starting our float at the campground and finding a take-out point down river. Benefits of this are: No rental fee and hopefully no crowds. Downside is there are no bathrooms and no bars along the way.

## **RIDING THE TRAILS**

Not a fan of water... **Bikers** may want to ride one of the great trails in that area.

The Kokosing Trail <http://www.kokosinggaptrail.org/TRAIL/aatrail.htm> will be a scheduled ride that will include our biking club.

Before you put your skis away for the summer, now would be a good time to bring them in for an end of the season tune-up. That way they'll be ready for the first outing next season. Another reason is that my tune-up guy is going to have surgery this fall so he will probably be out of commission until January. He'd like to do lots of tune-ups this spring to get ahead of the game and not cause any delays when it's time to ski again. As of April 1, **I won't have regular hours at the store so just call my cell, 330-581-9278, to arrange a time to come in.**

Thanks SCSC for supporting The Ski Shack this crazy year.  
Let's hope next year has as much snow and no COVID! Joyce
