## View From The Top By: Mike Bishop

At the last Eboard meeting, we discussed the responses to last month's question of *indoor dining, vaccination, or anything else on your mind about club socializing.*

Our attempt to accommodate all of our membership has resulted in the following.

Our September meeting is going to **Zoom** once again. I will be sending out a mass email about one week before the **September 21** meeting date. It will be an invite to only those on the current membership listing. I will launch from my house @ **6:30 pm** to allow for early camera focusing for attendees. The meeting will start a **7:00 pm**, and I will leave the zoom up after the meeting for a little social time. I want to remind those Zoom newbies before joining, to mute your audio from background noise. Going forward, Gail will look for an indoor venue to set up a combination of indoor dining & Zoom to accommodate our members' respected comfort levels. ***Please see Gail's article later in this newsletter for details.*** Those who prefer to home zoom at this time can continue, and in the future, those comfortable with indoor dining may do so while we zoom.

The SCSC 40<sup>th</sup> year celebration is proving to be quite a challenge under the current pandemic uncertainty. The response to the party inquire has been slim pickings except for those who are meeting the challenges of AVI this season; they are ready for a party, as I have been informed. Look... in any other typical non-polarizing year, I would have no problem with throwing down a 40<sup>th</sup> Party to rival the old H&H record year at Madigan's on the SCSC's dime. To do so now in a safe all-inclusive manner for the entire membership is not responsibly safe, in my opinion. The Eboard has come to a consensus with the help of Scott Hunsinger's SCSC history lesson to delay the 40<sup>th</sup> celebration. *"Though the SCSC was founded in 1981, the ski season was not completed until 1982".* So, we are going to delay the 40<sup>th</sup> celebration until sometime in 2022. I hope that by then all of the additional vaccinating, boosters, and breakthrough infections will have run their course.

Now I want to thank all of those who responded with their comments regarding meetings and the party. Your responses do help us get a feel of what is happening out there with our membership. Even though the heart of this club does run/rely on a core group of members, they do so for the love of volunteering. Their commitment allows the rest of the club members to enjoy all of what the SCSC has to offer throughout the year. If you are able and comfortable within the current environment, I ask you to volunteer where needed.

Feel free to contact me with any SCSC questions. [President@StarkCountySkiClub.org](mailto:President@StarkCountySkiClub.org)

## Ski Club 40th Year Celebration

Looks like we are going to push this out to a possible spring event. Checking with venues, a deposit is required, and if we would cancel, it would be lost. I will look into something more casual than planned for the kick off party we normally do. We received responses that members are willing and want to take part in a gathering. gail 330.323.8211 [glv2354@gmail.com](mailto:glv2354@gmail.com)

### Need Volunteers — Huntington Towpath 101 - Sat, Sept 11 & Sun Sept 12th

Please I need help with both dates, Sat need help with morning shift, this day is split into two 3 hr. shifts. I have the second part covered. Sat is the day riders ride the 101 miles in one day. We will need to keep water stop open longer to serve them. Help is needed on Sunday for about 4 hours. We have the water stop at Craig Pittman trail head on Hudson Ave, Navarre. Please contact me on helping with fundraiser for the continued expansion and upkeep of trails. Thank you, gail 330.323.8211 [glv2354@gmail.com](mailto:glv2354@gmail.com)

**September Meeting:** To hold a physical meeting for those who responded that they would attend, and use the meeting room at Walther's Twin Café we need to do some prep work before meeting.

1. Need to know if you plan on attending.
2. We will be able to order from menu, but the items available will depend on number of people in attendance
3. We will have the availability to run the meeting with Zoom from the room

If this is going to happen, I need to know who will be physically at the meeting no less than 3 days before the meeting. This way they can have menu and staff ready. If you plan on attending, please email, call, or text me. gail 330-323-8211 [glv2354@gmail.com](mailto:glv2354@gmail.com)

### Merchandise

I will continue to accept personal items for SCSC logo embroidery, but I need a min of 12 for them to do an economical set up. Please help me on this, I am always on the lookout for items that can be used for door prizes at meetings and club sponsored events. If your are out and see something bike, ski, hike, kayaking related, contact me. Text is the fastest way to get my attention, I would really appreciate the input and help. 330-323-8211

As you might know, a dedicated SCSC member, Bill Demsky, has been battling Multiple Myeloma. He recently had a stem cell transplant. In preparation for this procedure, chemo treatments were necessary, which caused Bill to lose his hair. For fun, and with Bill's blessing, we are having a contest to see who can guess what COLOR & TEXTURE his hair will be when it grows back! Some sort of a prize will be awarded to one person at our meeting in **October** now due to slow hair growth. Ties will be broken with a drawing.

Guesses should be sent to Donna Brancifort [dmburangi@gmail.com](mailto:dmburangi@gmail.com)

### Bill Demsky Update:

I received the results of my bone marrow biopsy and my doctor at OSU has told me that he considers me to be in complete remission. I will continue to take oral chemotherapy and Darcelex infusion therapy as maintenance.

Thanks, Bill

## Summer Biking - Bill Bail

The Tuesday night summer biking program has come to an end this year. Despite all the rain and the heat, we were able to get out and enjoy several rides and social gatherings. The participation this year was about the same as last year.

Thanks to all that participated. It was fun to share a few stories with each other. Don't put your bikes away yet as there are plenty of days left this summer to hit the biking trails. This article highlights Ohio as having the most [U.S. Bicycle Route Miles](#). Riding will help you get ready for the upcoming ski season.

Bill
