I want to thank all those members who went to the SCSC website to vote this year. We believe we had a new record for the total number of votes (77) cast in our first ever officers' election, which welcomes **Gail Vogt** and **Mike Bush** to the President and Vice-President's positions. I want to thank **Diane Marzec** for accepting the nominations for both officers' positions which allowed us to have an actual officer's election. I would also like to congratulate this year's Trip Committee members; **Scott Hunsinger, John Masalko, Drew Gonyias, Mike Lockhart, and Jim Kovach**. A special thanks to **Art Pokopac** and **Roberta Graham** for their previous service to the trip committee, with an additional thanks to **Matt Stear** and **Rich Ramsey** for accepting the nominations to run for a Trip Committee position. All of these positions officially begin on June 1st.

As I close out my second year as President, I want to thank all of those who work so hard to support this club in all of its endeavors like the Officers, Board members, those SCSC title holding positions, and all of the event volunteers who give their time so the rest of the club can flourish. I want to encourage the rest of the membership to get involved.

Over the last two years, the SCSC has navigated through some changes and had to adapt to the sometimes-controversial Covid rules, regulations, and mandates. The unfortunate truth is that we all cannot agree 100% of the time with all of the decisions we have had to work through. As a proud member, I did accept the responsibility of being the SCSC President while knowing there are many more SCSC volunteer positions to dance with than in my previous presidency. I had to learn to dance all over again, and unfortunately, I stumbled a little, stepped on some toes, and invaded others' space, but I think we got the job done. It had been a few years since I danced on this floor, and a lot of changes have been implemented since that time. In the last two years, we have created an online local Trip sign-up with credit card payments and Membership sign/renewal with credit card payment. We implemented an online website voting process with three-person vote tracking verification. The votes cast have a digital numbering system to track for duplicates. We have allowed some tour operators to take over the week trip payments which allows additional payment flexibility. We introduced a couple of redundant information checking procedures for the SCSC website, Facebook, and bookkeeping. We introduced additional cyber security measures like two-part authentication. I added a banking notification to go to the President's email address to identify digital transactions in real-time. Bill and I have worked to create additional SCSC email accounts to allow more email safety within our club.

Trip Committee Chair John Masalko

Park City trip was a huge success! Thanks for all the help from everyone that helped me with this trip.

Gail Vogt came back mentally fatigued from all her appointments with Mountain Travel Symposium. At the symposium, she was able to talk to tour operators, resort operators, and networking with fellow ski clubs across the country. Thank you, Gail!

The trip committee is aggressively soliciting for quotes through four different tour operators for next year's 2023 trips. Our specifications are to utilize the IKON pass we solicited for one East trip and one West trip. The current trip committee is trying to nail down the best option for the club and for the new transition of the trip committee.

Let's please welcome Michael Lockhart and Jim Kovach as new members of the trip committee. Also, congratulations to Scott Hunsinger, the new trip chair.

I would like to thank my whole trip committee for its help maneuvering through the last two years of all the COVID regulations. It was a real journey. Thank you all!

This will be the last newsletter I will be writing to the club. I will pass on the torch to the new trip committee chairperson. It has been a pleasure to serve the club and thank you! It's been a great ride!

Stay safe,
John

Park City Recap - John Masalko

Saturday, March 26th, 2022 to Saturday, April 2nd, 2022.

Friday night, there were a handful of us that spent the night in Cleveland so that we could get to the airport on time by 5 a.m. There were 35 total on the trip, 6 drove out, so that meant that there were 29 air travelers. 28 of us made it on to the American Airlines flight to Dallas, then on to Salt Lake City. One of our crew got his dates messed up (this person had to book his own flight then) made it Salt Lake, and was picked up by ground transportation. Made our grocery store/liquor stop, then went on to the Peak's Hotel (fantastic place to stay! staff was great, and were able to enjoy the welcome party.)

Had 5 great days of skiing, a handful of us went one day to Deer Valley and had a beautiful day of skiing. We had to stay up top on the mountain for the best skiing. Came off the mountain, and were able to sit poolside sunning ourselves, enjoying the pool and hot tub. There were several great places in Park City to enjoy a meal using the hotel shuttle service and there were a few places we could walk to. One night we stayed in and had spaghetti, because one of our members had a stove in the suite, and most of us enjoyed a spaghetti dinner that night. Some of us non-skiers were able to sight-see, (Antelope Island State Park near Salt Lake, the Mormon Temple Square, an organ recital, some of us traveled to Sundance to check out the Ski Resort, Dinosaur National Monument, and Olympic Village.)

April Fool's day, Park City ski resort was blessed with Gaper Day in Park City, where there were numerous, ridiculous outfits on the mountain by the locals. And that evening was the Youth Sports Alliance Olympic and Paralympic Homecoming parade in downtown Park City.

Coming home was a different story. Before we got on the bus to take us to the airport, I received a notification on my phone that the flight from Salt Lake to Dallas was delayed 15 minutes, before we even got to the airport another delay came through then another delay. Knowing this, we would never catch our connecting flight from Dallas to Cleveland. We immediately went to the American Airlines desk to inquire about holding the flight from Dallas to Cleveland. In the meantime, another delay came through. Our tickets were screwed up, some of us on stand-by, some of us with no seat assignments. Once again, went to the airline ticket desk with the manifest in hand, asking why the mix up? If we got held up in Dallas, it would have meant that the flight would have 30 less passengers on it. After showing them the manifest, the tickets were straightened out. We dodged all the bullets, and the flight was held for us, and we made it to the tarmac in Cleveland. Once on the tarmac, because it was so late in the evening, there were no airline marshals to direct the flight into the gate, waiting 45 minutes. Once we got to the gate, the jetway was broke. Waited another hour for mechanics to come and fix the jetway. (What an adventure!!)

Craig Pitman Park

I need 3 people to help with a water stop at Craig Pittman Park in Navarre on Saturday, May 21st from 8:30am to 11:30am. This is The Hope Ride, fighting cancer. At this point, we will be the turn around point for the 30 mile bikers. The ride starts at St Helena Park in Canal Fulton and ends back there. The volunteers are invited back to the park to an after ride celebration, music, food, and beer.

Contact me if you would like to help.

THANK YOU

to the 18 volunteers who helped with the two plus water stops for the Hall of Fame Marathon. We were originally assigned to the 2.5 and 4.5 mile water stops, so when 2.5 mile stop finished, six of us went to help the other stop. It was located on the corner of Wertz and Helen Place. The race course had the runners going East and West on Wertz Ave, with the high temperatures, the runners were crossing over to get water or Gatorade. We all stayed till we ran out of cups. Drew was a huge hit with his pump sprayer to help cool down runners. We received tons of thanks from runners, and they loved the music and Hawaiian shirt theme.

Merchandise

I will continue to accept personal items for SCSC logo embroidery.

All personal items to be embroidered must be new, and no items that have been worn.

I have a couple people that would like some items embroidered, but I need 12 items to have vendor do a set up. Winter sale items, check them out. Cost to have club logo embroidered is \$3.50. Items must be new.

Please help me on this, for I am always on the lookout for items that can be used for door prizes at meetings and club sponsored events. If your are out and see something themed bike, ski, hike, or kayaking related, contact me. Text is the fastest way to get my attention, and I would really appreciate the input and help.

Riverfront Tent Camping w/water & electric

Saturday July 16th

Join club members on Saturday July 16th for a relaxing summer day doing one of the below activities...

Riding the trails, Zipping through the tree line, floating down the Mohican River in a canoe, kayak or raft or just chillaxing in the river!

FLOATING DOWN THE MOHICAN in a canoe or kayak or on a raft.

Don't forget to bring your coolers & water guns!

We have 2 options this year:

1. The Livery will pick up the group at Mohican Reservation campground and will take us to our drop off point. The trip will end back at the campground.

RENTAL: Canoe or Kayak is \$27 per person for 8 Mile trip. Kids under 12 are free in the canoe with 2 adults. Anyone interested will register and pay at the campground when they check in.

2. Bring your own kayak and starting your float at the campground and paddle to the designated take-out point down river. Benefits of this are: No rental fee and hopefully no crowds. Downside is there are no bathrooms and no bars along the way. Jason will be coordinating this.

RIDING THE TRAILS

Not a fan of water...**Bikers** may want to ride one of the great trails in that area. The Kokosing Trail

SCSC Summer Biking Program

Bikers

The summer biking group meets on Tuesday evenings starting in May through August, and we ride a section on the Ohio Towpath between Akron and Navarre, weather permitting. You ride at your own pace and go as far as you are comfortable with on that day. Our rule of thumb is we ride out for 45 minutes, take a short break, then return, making the ride about an hour and a half long as a guideline.

The Tuesday evening rides will be starting at 6 PM, weather permitting. The minimum temperature we shoot for is 60 degrees, and of course, not raining. I am giving up on trying to second guess if it is going to rain or not, so I will not send out any ride canceled notifications. Use your best judgement. You do not need to be Stark County Ski Club member to ride with us. You do not even need to be a rider, as you are welcome to join us and just take a walk on the trail.

The schedule on where the ride starts is posted [here](#) on the Stark County Ski club website

If you want more information or have questions, send an email to scsdbikers@outlook.com.

AVI / Tom Benson Hall of Fame Stadium News:

We have been given a list of events that we will most likely be needed at Tom Benson HOF Stadium. I am sharing this for your information and tentative planning purposes only. I think it is better not to sign up until we have check in times & how many people AVI wants us to have. I will be sending out emails to recruit volunteers as soon as I know the information from AVI. When the emails are sent, please respond as soon as you can.

Because there is so much construction going on in The Village, I will have to get the parking location confirmed. I will put that in the emails as well.

The only thing that I believe is the same, is what we should wear. Please wear black or khaki bottoms (slacks, shorts or capris). Wear any solid-colored shirt. Consider the weather. A jacket or sweater is ok to wear. Also wear comfortable close toed shoes. When you arrive at the stadium, check-in at the small brick building, just inside the Symphony Gate, on the SW corner of the stadium. You will sign in, pick up an apron and an AVI hat. After you have worked a couple of events, you will receive a Stark County Ski Club hat, that we have been given permission to wear. For most events, we will be in what we call "our stand", which is the largest stand in the stadium, on the South side, Level 2, on the 50-yard line. It is a very busy location, especially for the bigger events. We are AVI's "go to" group! We have earned a very good reputation, as dedicated, conscientious workers and we want to keep it that way! We not only represent Stark County Ski Club, we also represent Stark County and the Hall of Fame Village, for all of the visitors to the stadium. We work hard, but we also have a good time with each other.

We consider this a community activity, that happens to have a benefit! You receive a Trip Discount Voucher for each event you volunteer for, which will help you pay for your trips with SCSC!

More details will be shared through the emails, when we are trying to get volunteers for specific events. I think it is better not to sign up until I have check-in times announced. I have only listed the events through Labor Day.
