CMSC Golf outing - Art Pokopac, Mike Bush, and Rich Ramsey

All SCSC golfers, keep July 30th open, would love to see a huge turnout from our club for this event. Think about getting a partner to pair up with another twosome from another club. Help make our club shine as we take on this event for the first time and the new format.

The trip committee has several irons in the fire for an East and West trip for our 2024 ski season. We will also be promoting the Snowtrails - 2024 season passes again.

At our final meeting, I handed out club business cards, I still have plenty and will have them available to anyone needing more. The membership has been our best source of new members, and with all of your help, we can keep growing. Talk about what the club offers and hand out those cards.

As I finish my final note to the membership, I can't thank all of you enough for the support through this past year. I'm looking forward to the new events at HOF Stadium, biking, kayaking, and summer socials with the best group of people I could have in my life - Thank you helping me grow stronger.

## Vice-President – Michael B.

Help Wanted!!! The treasurer position will require 10-20 hours a month depending on the time of year. It requires a meticulous person that is good with numbers. A business, bookkeeping, or accounting background is preferable. You will need to be very patient and tech savvy. This job will require some training so please let us know if you are interested. Donna has been nice enough to fill in, but she does not want to do this forever. So please, step up and help!

I am look forward to seeing everyone out on the water on Friday nights! See you soon SCSC!!

-Michael Bush

The elections are over, and we have a new trip committee chairperson! Congratulations Matt Stear a newly elected committee person and trip chair. His duties will start June 1st And he has already hit the ground running, he ask for the trip committee to meet in May to discuss upcoming trips and to get more familiar with the operations of the trip committee. A few members of the trip committee will be attending the Cleveland ski show in May to learn about upcoming trips, and will be meeting with tour and resort operators, The trip committee has received the quote for the east trip and we will be presenting it to the executive board for approval.

The trip committee will be meeting throughout the summer to ensure the best trips possible for the upcoming 2024 ski season.

Thank you the trip committee

# SCSC Summer Biking Program

## Bikers

Get your bikes ready! This year we are going to switch back and forth between Tuesday evenings at 6 PM one week then meeting Tuesday morning at 10 AM the following week. The morning rides will be on trails besides the towpath.

You ride at your own pace and go as far as you are comfortable with on that day. Use your best judgement on weather conditions. Our guideline has been at least 60 degrees and no rain. Use your best judgement. You do not need to be Stark County Ski Club member to ride with us. You do not even need to be a rider, as you are welcome to join us and just take a walk on the trail.

We will start on May 16<sup>th</sup> and ride through August. The schedule on where the ride starts will be posted on the Stark County Ski club website. [SCSC Biking Schedule](#)

## Tom Benson HOF Stadium

The first 2 events of the 2023 AVI efforts at Tom Benson are in the books! It was a wild start! Once again, we have proven why we are AVI's GO-TO group! AVI John sent a panic email at 5:15 AM on the morning of the games asking us for help because a group of 10 cancelled for both games! Not only did we add 4 people at the last minute, but some of our folks were asked to work in other stands to fill in for the missing workers. We ended up being a little short handed in our stand, but everyone pitched in, and we got through it! Thanks so much to everyone for being flexible and helping to do whatever was needed! John sends his sincere thanks for our efforts! He is under extreme pressure to please his clients, the USFL, HOF Village & HOF Museum.

Below are some of the events on the schedule. If you sign up before we have check-in times, make sure you are able to be flexible so you are available when the check-in time is stated. You will receive emails to recruit volunteers when we have the information from AVI. You will receive an acknowledgement of your request with whether you are working or if you are on-deck. Please know we must staff the stand to be able to accomplish all the jobs that need to be done. The on-deck list has proven to be very useful when we need extra people in case someone needs to cancel or John adds more staffing.

If you have to cancel, please do it with as much notice as possible. When you sign up, please consider it a commitment, but we realize that there are unforeseen circumstances. Please do not come to the stadium if you are ill.

Please wear black or khaki bottoms (slacks, shorts or capris). Wear any solid colored shirt. Wear comfortable close toed shoes. Have your hair tied back. Remember we are serving food! A jacket or sweater is ok to wear, if needed.

Parking has been moved to Stadium Park with check-in just inside the Harrison Avenue gate on the East side of the stadium. More details will be given in the email that is sent.

We consider this a community activity! We also get exposure for Stark County Ski Club! You will receive a Trip Discount Voucher for each event you volunteer for, which will help you pay for your trips with SCSC! **Newbies are welcome!**
