View from the Top– Gail V.

Hello members,

We have a lot of activities going on with our new executive board members. They started working on their roles the day after the election. I am Thankful that those holding these positions have been working on their duties to make the transition to the new operating year happen. Huge Thank You to Diane for taking the role of treasurer, Janet for jumping into socials, Denise for taking the role as Trip Chair, Matt for rolling over to take on the VP role, and being a supportive person from his past role, and Jennie for being our ever-supportive secretary. Donna and Jason for all the work they have done in the past - your roles were a major part of keeping club moving forward.

We do have a couple of ideas on a new meeting place, but nothing has been finalized yet. Still trying to keep it at a central location, offer a good mix of food and beverages, offer separate checks, and cash or credit options.

As a returning board member, I promise to keep the integrity of our club for the good of our membership. The code of conduct, financial reporting, and activities will all be supported for the best interest and promotion of our club.

The constant comments have been about needing younger members is getting harder to come up with an answer. This is a problem every club or organization in the US is experiencing. We have tried several different methods in the past that got us one or two new members. We are looking into advertising in those community newsletters that show up in your mailbox. From past experience, people have joined our club because they see a trip being offered at a price and time of year that is attractive to them, or a friend talks them into joining. It's up to all of us to keep them coming back.

Keep positive
Gail

VP Report & Merchandise– Matt S.

The first thing I'd like to do as I begin my term as VP is recognize a few of our members for their contributions to the success of our club.

Alyssa Givens has a hand in so many operational details of the club. She supports Facebook and web tasks. She plans, schedules, coordinates and leads our float outings. She puts together our monthly newsletters and other documents. She takes the basic text from those of us who make newsletter reports and formats them and adds graphics to create a publication that is second to none in CMSC. The trip flyers are a prime example. If you compare our newsletters to others, as I have done, you will see what I mean.

Donna Brancifort has spent countless hours as Interim Treasurer and as manager of AVI events. Each of these tasks individually would be a big job. Donna handled them both so well.

Denise Lincoln has hit the ground running as our newly elected Trip Chair. She has quickly and effectively finalized details for our 2026 eastern ski trip. She worked diligently with our tour planner to come up with the best balance of quality and cost for this trip. I'm quite confident that Denise and the rest of the committee will be putting together many more trips that we can all enjoy.

When you get a chance, please thank these ladies for whose efforts we have all been beneficiaries.

Some of my goals for the coming year are:

- Work with the Trip Committee and Diane Klein, our newly elected Treasurer, to update and document policies and procedures and store them in a format that is easily accessible.
- Work with the other members of the Executive Committee to continue to find ways to attract new club members who are vital to the long-term health and prosperity of our club.

I look forward to the input and support of any and all members toward achieving these goals.

Thanks,
Matt

Secretary & CSMC Report– Jennie S.

CMSC May meeting report

The 2026 CMSC trip will be to Japan, January 19-February 5. This is running in conjunction with a Maryland Ski Club and each group has 36 spots. CMSC may also run a small group on a West trip, but most likely not one to Europe with the Japan trip planned.

On the skicleveland.com website you can read current articles such as “Where Have All the CMSC Clubs Gone” which highlights the trips taken by clubs in 2025. Read the article I submitted for Stark County Ski Club. There is also a recap of the Zermatt trip.

All the Clubs were encouraged to put the July 27th Golf Outing Flyer in their newsletters and encourage participation. The August 7th meeting is the annual picnic at Brecksville Reservation and attendance is encouraged for club officers.

Jennie Stephan

A word from the Trip Committee- Denise L.

The new Trip Committee has been meeting and finalizing the trips put in motion by our predecessors. Thank you to Matt for his help in this transition. Also, thank you to Drew. Both have shared their knowledge and are helping to get the new committee on the right track.

An itinerary is being finalized for a fall wine tour to Geneva, Ohio. The scheduled dates are October 10-11, 2025 so mark your calendars. We will again be staying at The Lodge at Geneva on the Lake. Information on the cost and other details will be provided in July's newsletter.

A trip to a resort in Puerto Plata, Dominican Republic will be departing the following weekend on October 19-25, 2025. This trip is full.

Our next scheduled ski trip is set for Kissing Bridge/Holiday Valley. It is scheduled for January 14-16, 2026. Details on the cost and further information can be located on the flyer included with the newsletter. Drew Gonyias will be leading the trip.

We have our eastern trip scheduled for February 8-13, 2026. We will leave by train from Cleveland and go to Albany, New York. From there we will take a motor coach for an approximate 2 hour drive to Okemo in Vermont. We will be staying at the Jackson Gore Inn which are ski in/ski out accommodations. Further details can be located with the trip flyers included in the newsletter.

Our western trip to Lake Tahoe will leave March 21, 2026 and return the following week on the 28th. Our accommodations are at the Forest Suites Condos near the Heavenly gondola. The details and lodging costs can be found with the flyers included in this newsletter. We are still waiting for the flight information. Ken Hutter will be leading this trip.

Links for applications for these trips may be found in the trip flyers included in this newsletter.

An Alaska cruise and land tour is scheduled for June 20-30, 2026. This trip is nearly full. Contact Matt Stear if you are interested and have not signed up. The trip is nearly full. There are two balconies and one inside cabin still available.

In addition to the trips discussed, the committee hopes to schedule a few day trips and/or possibly a weekend trip. We also are looking for locations to visit in 2027 and 2028. We are hearing some resorts are booking two years in advance. If you have suggestions on favorite resorts or bucket list destinations, please share them.

-Denise L.

Member Volunteer Events Tom Benson HOF Stadium

Donna Brancifort – Coordinator

If you are still expecting any Trip Discount Vouchers , please reach out to me to arrange for a meet up.

It's time to start thinking about our 8th year of volunteering in the concession stands for AVI at Tom Benson HOF Stadium. Because we have had waning interest, we will try something different this year and we will see how it goes! Most often, we will be on the Club Level (inside) and will only need 2-4 people. We may also be asked if we want to fill in occasionally, if needed, but that may be a last-minute request.

I will remain the coordinator again this year. Because there won't be much activity and there will be less people needed, Greg Dyer & I talked and decided I would just keep doing it for the time being. Thanks, Greg, for being willing to step in to help, if needed.

Here's what I am thinking for this year.... **If interested in working at any of the events, send me your name, email and mobile number, if you want to get future information and communications.** I will only send a few notes to the entire club list. All other communication will be through email or text to the smaller list. I will publish the list of available events. Please respond with your availability for each event. Once we have everyone's schedules, we will allocate the shifts as evenly as possible. Admittedly, it was more fun to work as a large group, but I think that ship has sailed, at least for now. Although there will be less, you will still receive a Trip Discount Voucher for each time you participate.

Contact Donna Brancifort at dnbranci@gmail.com or 330-705-8143 with interest, availability, schedule, questions, etc.

Towpath in Bolivar was fun. There were 18 of us. Amazingly reasonable food. Many of us got a 1/3lb. cheeseburger with endless fries for \$7.95. Wow!

Saturday June 21 at noon we are meeting at the MAPS Air Museum at 2260 International Parkway, North Canton. Please RSVP by text to 330-340-4105 so I have an idea of how many will attend. This is a great family activity. If we get 15 or more, we will get group discounted rates:

- Children under 6 free.
- Ages 6-12 \$6.
- All others \$10

The tour will take roughly 2 hours. We will reconvene at a local spot TBD for food, drinks, and conversation.

The July social will be at John's Bar & Grill, 2658 Easton St. NE, Canton, on Thursday July 10. They have a great menu. Let's meet at 5:30 for dinner. We will need several people to arrive earlier to help us save tables. If you can arrive early to help save tables, please text me at 330-330-4105. At 7:30, an Elton John tribute band will be performing at the Plain Township Amphitheater, just across the parking lot from John's. We can continue to have drinks at John's during the performance. Bring lawn chairs if you want to get closer. There is a charge to enter the amphitheater.

In August, we will have a pool party. Date and location TBD.

In September, we will host a BBQ at our house in Dover. Date and time TBD.

Thanks,
Janet
