## UPCOMING FEBRUARY SOCIAL

### The Still House

**Wednesday, February 23<sup>rd</sup>**

**5:30 p.m. - 8:30 p.m.**

Designed as a coffeehouse and cocktail lounge, The Still House features *Gervasi Caffè* signature roast, Gervasi Spirits, craft cocktails, draft beers, award-winning wines, and a delectable appetizer menu.

The cocktails range from the classics of the prohibition era to the cutting-edge flavor combinations and flair techniques of today's mixologists. Gervasi Spirits feature three types of bourbon, spiced rum, vodka, gin and flavor-infused spirits including blood orange gin and rosé vodka – crafted to enjoy neat or as signature ingredients to our cocktails.

The Sin Room, is their heated outdoor lounge, featuring an incredible selection of cigars and an extensive bourbon list. In the evening, live music offers just the right vibe to transform to a swanky cocktail lounge. Whether you are naughty or nice, and like sweet or dry, The Still House is for saints and sinners alike.
