

Stark County Ski Club December 4, 2022 Get Psyched Party 40++

President Gail Vogt thanked everyone for coming and called a short meeting to order at the Get Psyched Party 40++:

It was noted that Jeri Johnson won the Snowfall Raffle with the November 12 date.

Donna Brancifort thanked all involved with this season AVI events. She reported the beer was donated by AVI for the party and she wrote out \$5,670 in vouchers prior to the party.

Fred Scherer, an original member, gave some history of the ski club, stating it started with a few Timken employees meeting in their houses and he thanked everyone who has put in their time to keep the club going. Past presidents and Ski Club Queens in attendance were recognized.

Mike Bush reported that the CMSC golf outing will be in July. SCSC is in charge and he'd like to see our club make 6 or 7 foursomes.

Jason Stephan reported that Elves and More would be December 17 at a location in Mogadore. Contact him if you would like to be added to the list of volunteers for the last year of this event.

Alyssa Givens is selling stickers in memory of Scott Hunsinger. \$2 helmet stickers and \$5 larger Goggle/Mtn stickers.

Andy Findlay reported you can buy tickets online for the January 8 Snow Trails Day. Although he can't reserve the new lodge, the club should be able to use most of it for that day.

Everyone was reminded to sign up for trips so they won't be canceled.

Tom Sinacore won the 50/50 raffle which was followed by door prize giveaways.

Respectfully Submitted, Jennie Stephan – Secretary
